As the Eastern Museum of Motor Racing continues to grow with new content we also need to grow our display space. The 6000 square foot phase 4 addition started in the fall of 2010 will add much needed library and display space. We offer two “block” donation programs to allow you to become permanent supporters of the museum. We also welcome general building fund contributions. Larger gifts can be a one time investment or spread over a three year commitment. Craig Agan is coordinating our gifting program and can be reached by email at craigagan@emmr.org.

One Block at a Time – Remember someone on the existing interior wall in our Phase 3 section. This two story wall is overlooked by a mezzanine and our spring and fall open house gatherings take place in front of this wall. \$550

Phase 4 Exterior Block – This new block program will place inscribed blocks on the outside wall of the Phase 4 addition. This is an ideal outdoor setting to permanently remember someone special to you and motor racing. \$1000

Both blocks are 8 inches by 16 inches and can be inscribed with 3 lines of up to 14 characters of text per line. Please contact Joe Heisler III at jlh3@erols.com with any block questions.
