

Join the Block Party!

We are expanding ONE BLOCK AT A TIME

You can help pay for the growth of the Museum and at the same time permanently have your family's name, a business name, or a friend's name enshrined at the Museum. It is an excellent way to honor famous racing personalities of the past and to show your support for their contributions to motor racing. Your tax deductible contribution for the building block is a meaningful and affordable way to participate in the expansion and future growth of the Eastern Museum of Motor Racing.

You can purchase an 8"x16" building block outside on the Phase Four porch wall for \$1,000. Inside Corporate/Business blocks are also available for \$1,000, in a framed wall display.

Yes, Count me in! Just fill in the form below and become part of EMMR
I would Like the inscription to say:
