Along with the standard common sense rules of dual throttle return spring, secure battery hold downs, secure seat belts, and good functioning brakes. We have some new regulations:

* All drivers must have a working raceiver

* All drivers must wear a full-face helmet with shield.

* Speedsters, Roadsters, Vintage Sprints/Midgets, and Hot Rod coupes: Full face helmet with a shield. A racing uniform is required.

* All OHV Full Bodied Stock Cars, OHV Modifieds, and OHV Sprint /Super Sportman Cars must have a 5-point racing harness, fire retardant racing uniform, protective gloves. and a full-face racing helmet with shield. Strongly recommended are other modern day driver safety equipment including arm restraints, neck brace/collar, and racing shoes.

Any questions please message me. 717-645-0440 or jtm64@comcast.net
